

REDISCOVER YOURSELF

Wise Women, Wise Mothers

Is an intimate studio space
For women who feel
They have forgotten themselves
In caring for their families or their jobs.

Allow yourself the time,
And the pleasure,
For rediscovery
In a unique program
Intended to inspire and encourage
Ongoing self exploration.
Diverse projects
Are designed for self-study
In a nurturing environment.

Connecting to yourself
is an intelligence
that will enrich your life and, in turn,
the lives of those around you.
